## Background

Located south of Saumur, the Domaine des Hauts de Sanziers has belonged to the Tessier family for 2 centuries.

Today the estate covers 85 hectares in the appellations of Saumur and Saumur-Champigny, all worked organically and covered with grass.

The soils there are clay and limestone.

More than just a profession, wine is a passion at the Hauts de Sanziers estate, This is why the Tessier's family motto is "Quality for your Pleasure".

The Chenin Blanc grapes are picked and sorted, then go through a 24-hour skin maceration. The fermentation takes place in temperature-controlled stainless steel tanks for 20 days.
