Domaine: Domaine Denis Pommier

Vintage: 2006

Producer: Denis Pommier

Website: <http://www.denis-pommier.com/>

Variety: 100% Chardonnay

Country: France

Region: Burgundy

Background

Domaine Denis Pommier was established in 1990 with the inheritance of 2.5 hectares of established vines in Chablis and Chablis 1er Cru from his grandfather. Today the estate is 11 hectares large and includes Petit Chablis.

Denis takes great care in the vineyards and farms using only natural products. In the winery he uses both stainless steel and barrel fermentation depending on the vineyard site. The Petite Chablis is fermented and matured in tank while the Chablis AOC has about 20% barrel fermentation and around 40% for the Beauroy and Côte de Léchet premier cru wines.

The style of Pommier is very fresh with high toned aromatics and a rich, complete, plush mouth feel. Throughout the range the purity and elegance of Chablis is never lost, enjoy.
