Domaine Du Tariquet 2008
Classic Ugni Blanc/Colombard Gascogne

This 2008 Domaine Du Tariquet is made from the Ugni Blanc and Colombard grapes. Superbly intense for a dry fruity white, its bouquet reveals floral and citrus aromas with nice touches of tropical fruit. Despite the tropical theme it's crisp and focused, yet quite flavorful at the same time. Light and well-balanced, this wine is a thirst-quenching pleasure. The wine is full of fruit and refreshing on its own or with food; it is easy to see why Robert Parker called Yves 'one of the most talented winemakers' of southern France. "In the past, all that mattered was the wine making process but over the years, we have gradually learned to make wine that is an honest expression of the vineyard."' Yves Grassa, winemaker.
