

June 16th
The French-American Chamber of Commerce is pleased to invite
you to an evening of
Speed Networking
with Wine-tasting by Antoine Songy of Robert Kacher Selections
and authentic French cuisine at the Bistro d'Oc

About Speed Networking

The Chamber's speed networking event is a structured, fun and effective way to make numerous initial connections in a different environment from the standard business networking meetings. Prior to the event, each participant receives the profiles of all fellow participants. You will have several minutes to network one-to-one with each of the other participants. The Chamber will facilitate the timing of each "speed connection" and will provide starter questions to help get the conversations flowing. There will be a half-hour of mingling before the formal hour of "speed networking" and dinner following the encounters to enable participants to develop connections. Speed networking is a great way to meet other business professionals in a short period of time, to meet everyone in attendance and to get the most from the encounter. FACC members from the Washington DC Chapter, as well as professionals from other bilateral European chambers of commerce, are invited to the event.

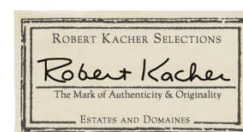

Venue

BISTRO D'OC | 518 10th Street, NW | Washington, DC 20004 | 202-393-5444
