

THE ARTISANAL PREMIUM CHEESE CENTER PRESENTS:

**ARMAGNAC AND THE CHEESES OF FRANCE
WITH MAÎTRE FROMAGER MAX MCCALMAN &
ARMAGNAC AMBASSADOR MAY MATTA-ALIAH**

THURSDAY, NOVEMBER 19TH FROM 6:30 TO 8:30 PM

Some of the finest things in life are, at heart, simple. Take some lovely milk, add rennet, a dash of salt, and then age it to perfection and you have a great cheese. Take some grapes, turn them into wine, distill that wine and age it to perfection and you have a great Armagnac. The only thing better is the right combination of the two. Come join May Matta-Aliah, NY Armagnac Ambassador, and our Dean of Curriculum Max McCalman, and taste how the simple becomes sublime, as they take you through a pairing of France's best-kept secret spirit, Armagnac along with a selection of Artisanal finest cheeses.
