

Mas de Guiot is the Wine of the day  
*89 points*

Review :

"The 2007 Vin de Pays blend of 60% Cabernet Sauvignon and 40% Syrah (by the way, the labels actually say this on the front so it is impossible to confuse them) exhibits even more complex aromatics of tobacco leaf, spice box, black currant, cedar, and earth. In the mouth, the wine has exuberant fruit, a full-bodied mouth feel, and surprising elegance and purity. This is another impressive wine to drink over the next 2-3 years. 89 Points."
